# Who We Are

Founded by Bhavin Gajjar (M.Arch, CEPT; B.Arch, Vasad) and Yesha Gajjar (B.Arch/Interior Design, Vasad), Ambience Design brings together approximately 16 years of professional experience in Architecture, Interior Design, Construction, Project Management, and Liaisoning Services. The firm has successfully delivered over 350 projects, establishing a reputation for quality, innovation, and client-focused design.

Guided by a philosophy that balances contemporary aesthetics with timeless functionality, Ambience Design creates spaces that are both visually compelling and purpose-driven. Bhavin's decade-long leadership experience at GIFT City and Yesha's five years as an Assistant Professor at Anant National University provide a strong foundation of industry expertise and design excellence.

# PROJECT OVERVIEW

| | |
|---|---|
| Project Timeline | "The project timeline has been strategically adjusted to accommodate site-specific conditions and project requirements, while maintaining alignment with overall milestones and delivery objectives. |
| Budget | All expenses were modified based on the design, material type and availability, as well as the chosen theme. |
| Potential Setback | We consistently develop a contingency plan to address any potential delays or obstacles during the design and execution phases. |
